Odisha Agro Industries Corporation Ltd
MANAGING DIRECTOR

1. Objective of the EOI

To derive the best price for the specified quality and specification of Agricultural Implements & Machineries, P.P. Equipments, Pump sets & Accessories and Allied items through price discovery method.

To ascertain the specified quality product is available to farmer directly from the manufacturers/ Source Company.

To facilitate farmer in procuring the specified product at reasonable rate and at the same time ensuring the quality of supply as per specification.

2. Need for Empanelment

In present scenario, due to lack of agreement on uniform price and quality of Agricultural Implements & Machineries, P.P. Equipments, Pump sets & Accessories and Allied items along with its make and model, the farmers are facing troubles such as

- Farmer does not get transparent price for the specified equipments.
- The manufacturer/ Source Company differentiates price on the basis of the quality of material used by them & efficiency of items, which a farmer is not aware about the technicality at the time of purchase of such equipment.

Hence, to overcome the above problems with an objective to safe guard the interest of farmer, it was envisaged to empanel Manufacturers/ Source Company.

3. Terms of Reference for the Manufacturer/ Source Company:

- I. At the end of this exercise, a separate list of empanelled Manufacturers/ Source Company and their price offer for various types of Agricultural Implements & Machineries, P.P. Equipments, Pump sets & Accessories and Allied items will be published in public domain. The best price offer discovered would be applicable for a period of one year/ reset notification whichever is later.
- II. No dealers or traders of any Manufacturers/ Source Company are allowed to participate in the EOI process. The manufacturer/ Source Company shall issue power of attorney as per **Annexure-6** to its employee only.
- III. The manufacturers/ Source Company should provide the list of their Authorised dealers / distributors in the State of Odisha through which the products will be available to farmers.
- IV. During the empanelment period no escalation charges will be allowed. Manufacture/ Source Company is to deliver materials only at OAIC at its District level offices / OAIC Suravi outlets as per the choice of the farmers at Block level points.
- V. Agricultural Implements & Machineries, P.P. Equipments, Pumpsets & Accessories and Allied items supplied must be covered with warranty for minimum Two years from the date of supply against any defective manufacture/ workmanship, etc. The repairs/replacements shall be attended free of cost within the warranty period.
- vi. The Authority may levy a penalty on the empanelled manufacturer/ Source Company if found that supplied component are not conforming to minimum IS standards/ Specification as mentioned in this EOI document. The cost of such products would be recovered from the security submitted by the manufacturer/

Source Company.

- vii.** The Authority will publish the list of empanelled Manufacturer/ Source Company along with their price offer and dealer network detail. The farmer will submit the required document to Authority for claim of financial assistance. The Authority will release the financial assistance to farmer on verification of the required assets/documents.
- viii.** The manufacturer/ Source Company will have to submit detailed specification & the valid certificate of BIS. Rating for each product they are offering for empanelment. The manufacturer will submit their price offer only for the product for which they have submitted the specification and valid BIS certificate. They will be empanelled for that particular product/s only.
- ix.** The Authority has right to dis-engage the empanelment of the Manufacturer/ Source Company if found that the product supplied by Manufacturer/ Source Company is not as per the minimum specified IS standard and specification or its IS certification gets invalid. The manufacturer shall have to submit the renewed IS certificate to the authority as and when the certificate gets invalid during the period of empanelment.
- x.** If at any time it is noticed that the Manufacturer/ Source Company has supplied same component at a lower price in the open market during the period of this empanelment, the Authority shall take suitable appropriate course of action against the empanelled manufacturer/ Source Company.
- xi.** If the interested Manufacturer/ Source Company will be backed out at any stage of this exercise, the Manufacturer/ Source Company will become ineligible to participate in any such empanelment exercise to be carried out by the authority in future.

4. Minimum Eligibility Criteria:

- a.** Manufacturers of Agricultural Implements & Machineries, P.P. Equipments, Pumpsets & Accessories and Allied items, is only eligible to participate in this EOI process. The manufacturer should hold a valid BIS license at the time of submission of EOI document.
